

2023 Maple Lake – Lake Property Owners’ Association Membership Drive (Census)

Dear Maple Lake Property Owner:

The Maple Lake – Lake Property Owners’ Association has been serving Maple Lake residents since 1974. The Association organizes activities that include the annual 4th of July Boat Parade, Fall Socials, walleye fingerling stocking, monitoring lake water clarity, and most importantly, working with the DNR, local governments, and outside lake management experts to optimize lake quality through invasive aquatic species and erosion control programs.

But none of this would be possible without the ongoing efforts and financial support of our members and community volunteers. It is imperative that, to continue the success of the Association, members continue to be involved. The Association Board of Directors encourages each lake property owner to become a member, and volunteer in whatever capacity they are able. Member involvement shapes the future of Maple Lake for us and our children, and keeps us moving in the correct environmental direction.

To join, please complete the membership form below. Mail to the address shown, along with a \$30 check for annual dues payable to the MLLPOA. The information supplied on the form will be used to update the annual membership directory, which is printed each spring before the May annual membership meeting, and provided/mailed to all dues paying members.

Have a great year on Maple Lake!

Please return with a check of <u>\$30.00</u> payable to: Maple Lake - Lake Property Owners’ Association, Inc. (MLLPOA) - PO Box 460 - Maple Lake, MN 55358.
